Training

Manage power, develop strenght
Sesto San Giovanni June 16th-17th

Is a female leadership possible?

The workshop has the purpose of leading the participants through a reflection about the interior obstacles that prevent women to have a good relationship with power, developing a better awareness of themselves and of their skills.

Associative and projective techniques and creative writing will be used.

Wise Growth, the company founded by the member **Maria Cristina Bombelli**, proposes a choice of paths of individual and group empowerment addressed to women with different careers, in order to:

- * improve female inclusion in careers' paths
- * increase personal wellness and efficacy of action
- * improve individual awareness and enhance personal resources

The Teachers are

Maria Cristina Bombelli, founder and president of Wise Growth, expert in organizational behaviour and management of company resources, consultant and professor at University of Milan Bicocca.

Laura Girelli, Jungian psychotherapist, consultant and trainer, she works on the themes of personal identity and gender differences in several environments: the Clinique, the job world, the social organization.

The course is structured in two consecutive days full time from 9 a.m. till 5.30 p.m at Sesto San Giovanni (Mi) at NH Hotel Concordia , viale Edison, metro 1 station Sesto Marelli.

The registration fee is €1.000 + VAT but for the EWMD members there is a discount of 20%. The fee includes 2 days of workshop, 2 buffet lunches and 4 coffee-breaks.
For registration and further information please contact:

International Activities

EWMD International Conference 2009 Brussels June 19th – 20th – 21st

We would like to remind to all Members that the 25th Anniversary of EWMD will be celebrated with a Congress dedicated to the past, the present and the future of the Network . The “world café” procedure will be adopted for managing the interventions of the Members, in order to bring to evidence both the topics considered interesting for the discussion and new ideas to be proposed at European level.

It's a very important event which will give the opportunity to meet and know better the Members of other Countries and to have a profitable ideas' sharing.

The history of EWMD will be introduced by **Ambra Poli**, President of EWMD Italy and by **Margit Wallsten**, President of EWMD International during 1985.

The present situation will be explained by **Angelica Poth-Mogele**, General Secretary of EWMD International for several years and Officer of the European Union and **Christine M. Merkel** Unesco's Commissioner.

The future will be presented by **Britt Solvik**, Past President EWMD, who will talk about the Norwegian law which foresees that companies' board of directors have to be composed for the 40% by women, and by **Elisabeth Blum** who will talk about a new concept of mentoring.
