International Activities

EWMD International Conference 2009
Brussels June 19th - 20th 2009

The 25th anniversary of EWMD will be celebrated with a Congress which will be dedicated to the past, the present and the future of the Network and to the evolution of the female condition in Europe.

The “world café” procedure will be adopted for managing the interventions of the Members, in order to put in evidence both the topics considered interesting for the discussion and new ideas to be proposed at European level.

It's a very important event which will give the opportunity to meet and know better the Members of other Countries and to have a profitable ideas' sharing.

The history of EWMD will be introduced by **Ambra Poli**, President of EWMD Italy and by **Margit Wallsten**, President of EWMD International during 1985.

The present situation will be analyzed by **Angelica Poth-Mogele**, General Secretary of EWMD International for several years and Officer of the European Union and **Christine M. Merkel** Unesco's Commissioner.

The future will be presented by **Britt Solvik**, Past President EWMD, who will talk about Norwegian law which foresees that the company board of directors have to be composed for the 40% by women, and by **Elisabeth Blum** who will talk about a new concept of mentoring.

For consulting the complete program and for registration please visit the web site [www.ewmd.org /events/congress](http://www.ewmd.org/events/congress).
