ADVANCING WOMEN LEADERS:
The Connection Between Women Board Directors
and Women Corporate Officers

"Forget China, India and the internet: economic growth is driven by women." - The Economist.

"Empowering women will change the world." - Riane Eisler

The future is in the hands of women and «feminization» will be the only way to be successful, even for man." - Kjell Nordstram

"If ever the world sees a time when women shall come together purely and simply for the benefit and good of humankind, it will be a power such as the world has never known." - Matthew Arnold

"Women around the world are gradually reacquiring the economic clout they enjoyed hundreds of thousands, even millions of years ago." - Helen Fisher

Thank you!

Changing times have arrived!
